Dear Doctor,

After organizing widely successful cardiac conferences, Bankers Group of Hospitals is back with the 11th Vibrant Academic Symposium – **CARDCON 2015**.

In an era of interventional cardiology driven conferences, we would like to focus more on clinical cardiology covering – emergencies, ECGs, Echo-cardiography, day-to-day clinical problems etc. Our highly interactive format hopes to impart knowledge through courtroom cases, opinion polls, innovative cardiology quizzes and Bankers Premier League.

We are inviting 20 renowned faculties, each a master in their own field, to address all our participants.

We extend our invitation to you to participate in **CARDCON 2015** in **Vadodara** on **17th & 18th October 2015**. We would be humbled if you would take some time out of your busy schedule to attend this knowledge enhancing and brain sharpening symposium.

We hope you will enjoy our unique 'educainment' (education with entertainment) program. The details of the event will follow soon.

Looking forward to meeting with you,

yours truly,
